HOMESCHOOLING

Church Schools

a. Definition:

Church schools include only such schools that offer instruction in Grades K-12, or any combination thereof including kindergarten, elementary, or secondary level and are operated as a ministry of a local church, group of churches, denomination, and/or association of churches on a non-profit basis which do not receive any state or federal funding. *(AL Code 16-28-1)*

b. Enrollment and reporting

The enrollment and attendance of a child in a church school shall be filed with Elmore County Schools superintendent by the parent, guardian, or other person in charge or control of the child on a form provided by the superintendent which shall be countersigned by the administrator of the church school and returned to the Elmore County Schools superintendent by the parent. When the child no longer attends the church school, the parents, guardian, or other person in charge of the child shall by prior consent at the time of enrollment direct the church school to notify the Elmore County Schools superintendent that the child is no longer in attendance. *(AL Code 16-2-7, 16-28-8)*

The Church School Enrollment form must be completed and given to the school at the time of the student's withdrawal. If the form is not provided at that time the school will not withdraw the student and will continue to report the student as truant (unexcused absences).
